ORDER GRANTING MOTIONS TO WITHDRAW PETITIONS FOR PERMITS

(Issued September 1, 2004)

On November 20, 2003, Magellan Ammonia Pipeline, LP (Magellan), filed with the Utilities Board (Board) two petitions for permits for two hazardous liquid pipelines. Magellan believed the pipelines had been constructed without first obtaining permits from the Board as required by Iowa Code § 479B.4. The petitions were identified as Docket Nos. HLP-03-0003 and HLP-03-0006. On March 25, 2004, Board staff requested additional information concerning the pipelines and clarification of Exhibits B in both dockets.

On August 20, 2004, Magellan filed motions requesting it be allowed to withdraw the petitions for the two pipelines. Magellan states in the motions that it discovered that the two pipelines had never been constructed.

The Board will grant the motions and allow Magellan to withdraw the petitions.

IT IS THEREFORE ORDERED:

The motions to withdraw the petitions for permits for hazardous liquid pipelines, identified as Docket Nos. HLP-03-0003 and HLP-03-0006, filed by Magellan Ammonia Pipeline, LP, on August 20, 2004, are granted.
